ture was the baseball game between

the Father Mathew T. A. society by a
score of 11 to 10 after playing ten
exciting innings. The outing was in
every way a success.

**Saturday Ball Games—Young Men on
Canoe Trip—James Graham Gives
Clam Bake.**

The weavers of the cotton mill
closed with the velvet mill weavers
Saturday in a ball game. With the
exception of the first inning the game
was well played and interesting. In
the first inning the cotton mill weavers
got to Mahoney for several hits, which
helped out by a few errors gave them
seven runs. After this Mahoney set-
tled down and with fair support put up
a good article. The final score, 15 to
7, being no discredit to him. Gorman
pitched a good game for the cotton
mill. There was quite a little inter-
est aroused by this game and prob-
ably more will be played later. The
batteries were: C. M. W. Gorman and
Roberts; V. M. W. Mahoney and
Tait.

The Taftville Runaways defeated a
team from Greenville Saturday in a
loosely played game by the score of
12 to 11. The Runaways had Green-
ville at their mercy throughout the
game, using four pitchers to see if it
could be possible for Greenville to
hit the ball. The batteries were:
Runaways, White, Lambert, Murphy,
Roberts, pitchers; Roberts and Lam-
bert, catchers; Greenville, Downey
and Machon.

Gave Delightful Party.

Miss Katie Brown delightfully en-
tertained a party of about fifteen
friends at her home Saturday evening.

ious kinds was enjoyed. Martin Wal-
don, Mrs. Brown and Miss Sylvia
Day, pianist, and Mrs. Brown who sang
several times added greatly to the
evening's entertainment. The latest
phonograph records were heard with
great pleasure also. After the music

ROQUE TOURNAMENT WILL CLOSE TODAY

**Several Important Games to be Played to Decide the
Championship—Games for Second Van Wickle Badge
Williams Defeated and His Lead Cut Down—Young-
er of Clark Brothers Second—Chase Gets Medal in
Third Division and Bosworth Retains Van Wickle
Badge.**

Although Saturday usually marks the
closing of the national roque tourna-
ment, it was impossible to get all the
games played within the week this year
and the final deciding games for the
championship will be run off today,
there being a number to be played and
between the players, so that today will
be the most important day in the tourna-
ment.

The situation at present is such that
it is impossible to pick the winner,
and, while each one is the favorite
among his friends, not until the games
scheduled for today are played will it
be known who will bear the honor for
the coming twelve months. There are
eighty quantities of medals, but only
the results will tell.

Leaders Are Beaten.
Saturday was one of the hard days
for the leaders, and the tail-enders
seemed to be able to win at will. H. T.
Webb, who had not won a game up to
Saturday, and who had been the leader
for the coming twelve months. There are
eighty quantities of medals, but only
the results will tell.

Chase Wins in Third.
In the third division the tie of Sullivan
and Williams was broken today, result-
ing in Chase winning two of the three games
and on Saturday evening was presented the
medal of that division, he getting the
plaque of the large assembly as the
presentation was made by Secretary N.
L. Bishop.

Van Wickle Badges.
On Saturday the final game for the
first Van Wickle badge was played be-
tween Bosworth and E. Clark, result-
ing in Bosworth winning out in a fast
game, Clark being shut out. Bosworth
thus retains the medal.

The second Van Wickle badge has
been surrendered to the committee by
Steele and it will be played for by
Whitaker and Williams today, four
out of seven games being necessary to
secure it.

Watermelon Game.
Saturday evening a watermelon game
was started, but the melons arrived
while the game was in progress and
thereafter all interest ceased in the
game and was directed to the melons,
all having opportunity to sample
them. During the evening Bullard's
orchestra furnished excellent music.

Change in Rules.
Before leaving Saturday Professor
Jacobs put into shape the changes in
the rules passed at the meeting and they
are as follows:
Rule 6 (inserted)—"Any ball dis-
placed in scoring can gain no advan-
tage thereby but is entitled to its for-
mer place unless hit by a partner's
ball."
Rule 40 (Added)—"If a ball
make an arch and hit a ball off the
field the arch counts but play ceases."
Rule 43 (Added)—"And has not by
direct shot come in contact with the
other ball in or near the wicket."
Rule 54 (change in fourth line)—"As
to proper sequence of balls" to "upon
any point at any time."

E. A. Tracy Heard.
Saturday afternoon E. A. Tracy,
chairman of the 25th anniversary ex-
ecutive committee, spoke to the mem-
bers regarding the ideal place Nor-
wich offered for the holding of the tourna-
ment and was pleased at the decision
of the association to continue to hold
the tournament here. He concluded by
presenting each member one of the an-
niversary badges, which were received
with much appreciation.

For New Banks.
A. W. Dickey secured from M. B.
Ring on Saturday some rubber wagon
tires as samples for the coming season.
The sample was of excellent quality and it is
probable that one court will be equipped
with such tires.

On Saturday, when the courts were
in the best shape, ex-President Mac-
Donald stated to Mr. Dickey: "I don't
want to play on any better grounds than
these, and I never did play on one."
After the statements made in the
meeting, very much, he having worked hard
to get the courts in shape for the tourna-
ment. That the effort to take the tourna-
ment to Philadelphia was mostly for the
purpose of getting some work done on
the courts next year is generally
believed, although players in Philadel-
phia sent their teams with the idea of
getting it to that city. However,
the delegates realize the rare excellence
of Norwich for the tournament, as sev-
eral have stated since the meeting.

All Up for Wul
Mr. Wu is to be given another as-
signment by his government. He made
much more than an interrogation mark
in Washington. He is a philosopher
and he takes things as they come. May
the best come to him.—Chicago Even-
ing Post.

Bright Side of the Paper Tax.
There is one advantage in the fact
that the new tariff schedules put forth
on the free list while still subjecting
paper to an import duty. Shows that
paper is not so much in demand as
leather.—Norfolk Virginian-Pilot.

A Great Public Service.
The service Mr. Jerome has rendered
society cannot be overestimated. Pro-
viding a means of escape for the poor
it was his duty to act as he has, and
for that he should be held in corre-
sponding public respect.—New Haven

A number from Taftville attended a
clam bake at Fishers Island Sunday.
The guests were: James Graham, Sam-
uel Baldwin of Baltic and Mr. Graham

bake speaks greatly for the skill of
these two chefs in the culinary art.
Among those present from Taftville
were William Hicks, William Kendal,
Charles Chamberlain, Rastus Yerrington,
Nellie Schofield and Grace Greenwood.
